

Underwriting Change Request

Owner	Riley Morgan
Review due	2026-08-05
Document type	Dummy review packet

Summary

Request approval to route medium-risk commercial property submissions through an AI-assisted triage flow.

Requested Change

Add OCR, extraction, triage rules, human approval, and governance evidence storage.

Controls

No automated binding decision. All recommendations include evidence, reviewer ownership, overrides, and rollback notes.

Generated dummy document for Flow Canvas approval-chain testing.
